Incredible Flexible You Group  
(Pre-School +)

-The Incredible Flexible You series is designed to help children with social skills by teaching them to “develop the skills they need to be flexible social thinkers and social problem solvers”.
- The Incredible Flexible you series was designed especially for children with Aspergers Syndrome, Hyperlexia, high functioning Autism disorders, social communication disorders, and social behavior problems. However, it is appropriate for use with all children.

*Sessions are 6 weeks in length*
*Sessions start the week of June 1st*
*Fees $40 per session or $225*
